M Racing	E11 E7	Saturday July 24 th	11am	multiple races; no race will start after 5 pm
Scow Racing as posted	Volunteers may be required	Sunday July 25 th	As posted	Used if less than six races for either fleet

No more than three races will be sailed consecutively. More than three races will be sailed on one day only if a fleet is behind schedule. Eight races will be attempted in the scow classes. Seven races will be attempted for the lasers. The minimum number of races for a series is two. The low point scoring system will be used. Racing will be scheduled on Sunday, July 25 only if one or more of the scow fleets has failed to complete six races.

***Safe, successful, and effective race management requires participation of the racing sailors on the Race Committees throughout the summer. Race Committee assignments are found in boldface next to each racing day. Assigned boats must provide a total of three sailors for scow races, or two sailors for Laser/Pram/Feva races. These individuals shall report to the Club thirty minutes prior to the first scheduled sequence with life jacket and foul weather gear. Duties will be completed when racing ends for the day, scores have been tabulated, and equipment stowed. Lunches will be provided on long race days. Trading of assignments is permitted with notification of the PRO for the series. Each boat has the responsibility to fulfill their assignments. The Vice Commodore must be notified in advance of any emergent need for replacement. The unexcused failure to provide Race Committee personnel shall result in the loss of any discard that might have been used in calculating the 2010 summer results.**

REGATTA WEEK SERIES			
Race / Event	Date	Time and boats assigned to help Race Committee*	Comments
